Mission Statement

The mission of the North Bay Indigenous Friendship Centre is to improve the quality of life for First Nation, Metis, and Inuit people in the urban environment of North Bay by supporting self-determined activities which encouraged equal access and participation in society and which respects Aboriginal cultural distinctiveness.

The North Bay Indigenous Friendship Centre provides a wide array of programs and services to support Aboriginal people of all ages. An important part of our mandate is to serve as a Gathering Place for Aboriginal and non Aboriginal people.

The NBIFC invites all community members to visit the Centre and to participate in the many communal activities that are held throughout the year.
