JOB POSTING

OPEN UNTIL FILLED

Aboriginal Health Outreach Worker

STATUS: Permanent Fulltime, 35 hours/week

ACCOUNTABILITY: Reports to the Executive Director

POSITION SUMMARY: The Aboriginal Health Outreach Worker assists urban Indigenous people to understand the health care system and to obtain the care they require. Services include advocacy, assistance with forms, assistance with housing, status card applications, social assistance, promotion of healthy lifestyles, violence free families, and access to cultural healing resources.

To be an example of cultural leadership, high moral, personal conduct and effective teamwork.

QUALIFICATIONS & SKILLS:

- Minimum college or university level accreditation or equivalent work experience.
- Knowledge of Indigenous language and culture(s) common to the area to be served
- Superior oral and written communication skills
- Group facilitation skills
- Knowledge and experience working with Indigenous people
- Good community development skills
- Strong interpersonal skills
- Ability to meet deadlines with minimum supervision
- Knowledge and experience working with health care system
- Must have a valid driver's license and a clean driver's abstract
- Access to a reliable vehicle and 2M liability insurance
- Provide a satisfactory CPIC/Vulnerable sector check
- CPR/First Aid current certification, or willing to acquire within a set timeframe

We thank all interested applicants; however, only those selected for an interview will be contacted. While we encourage individuals of all backgrounds to apply, those of Indigenous descent will be given preference.

Please submit a cover letter, resume with three (3) references to:
